

Confinement feeding

WEBINAR

This two-part webinar is a comprehensive A-Z on confinement feeding

Central Tablelands Local Land Services presents a comprehensive two-part webinar designed to provide you with all you need to know about confinement feeding.

Presenters Brett Littler (Central Tablelands Local Land Services), Geoff Duddy (Sheep Solutions), and Jeff House (Jeff House Livestock) will cover:

- what is a confinement feeding area, and why you would need one
- selecting the right site
- what infrastructure you need
- how to set up a confinement feeding area
- management of livestock for best results
- practical nutrition application - dos and don'ts
- minimising health problems
- maximising livestock performance

Part one - Tuesday 28 September, 7.00-8.30pm

Part two - Tuesday 5 October, 7.00 - 8.30pm

These webinars are open to all NSW landholders, however, registration is required to join.

Participating in confinement feeding training will be a requirement for any future related incentives offered by Central Tablelands Local Land Services.
